It is with the underwritten support of our business community that enables the 15 volunteers of Career Valley to successfully plan, organize, build awareness, and make the one-day event an enjoyable experience for all members involved. The event reaches out to 2,500 students from throughout the West Central Wisconsin region. By helping support our important program in the form of a charitable contribution, we are able to **at no charge to either exhibitors or school districts** furnish the facility, set up exhibit tables with drapery provided, offer lunch, beverages and snacks, and distribute promotional materials. A contribution from your business or organization would be greatly appreciated to help defray these costs.
